In(herit)age II
ADVANCED ARCHITECTURAL DESIGN WORKSHOP
February 20th - 28th 2014
Granada/Spain

URBAN STRATEGIES TRAVELING WORKSHOP

In(herit)age II Advanced Architectural Design Workshop is conducted under the auspices of the Urban Strategies Postgraduate Program at the University of Applied Arts Vienna. In this second edition this international traveling workshop keeps the agenda based on exploring the possibilities of form generation through digital architecture.

The Urban Strategies Traveling Workshop is a 9 days teaching format, including 3 days preparatory period, which offers an opportunity for architects, students or young professional designers and artists, to learn new methods and tools related to recent and evolving topics of the architectural discipline.

AGENDA:
Design of the interior of a Muslim hall.
Site visits to the Alhambra and Bañuelo Presentation and discussion of works with an international jury

SCHEDULE:
February 20th until 28th
9.30 am - 8.00 pm

WORKFLOW & TOOLS:
Projects will be fully developed with Autodesk MAYA*. Digital sculpting, texturing and mapping software will be also used as an extra support.

*Educational License granted to Angewandte Continuing Education GmbH
